

Embroidery Projects with Toni Gerdes

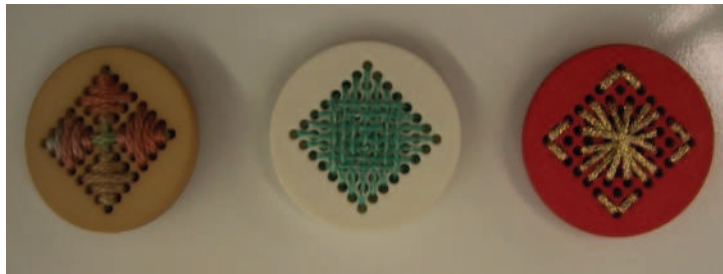

Saturday-Sunday, October 21-22, 2017. Skagit College, San Juan

Toni will present a fascinating lecture at our October 21st meeting, followed by a mini-workshop on Stitching Buttons after the meeting on Saturday, and a full-day workshop on Sunday. In Stitching Buttons, you will learn ten different stitches and will complete a colorful, striking design which has many uses (a button, a pin, a magnet, Christmas ornament, etc.). On Sunday, you will be treated to much information about Texture as a Design Element, and then will spend the day on a fun project incorporating paper, threads, wire, embellishments, and fabric. Come to one day or both!

Materials fees: \$15 for Stitching Buttons; \$85 for Texture as a Design Element

Toni comes to us from Colorado, and specializes in canvas embroidery. She is certified by the National Academy of Needlearts to teach Level II classes and serves on their Board of Directors. She has received numerous awards for her designs, has taught at major fiber and needle arts conferences, and has been published in major fiber arts magazines. She enjoys all types of stitching and sharing her knowledge with others.

Workshop fees: \$30-\$50 for Stitching Buttons (\$25 deposit required); \$60-\$110 for Texture as a Design Element (\$50 deposit required)
